**To whom it may concern**

**I have known Frank Smith and his family for many years. He has done several painting jobs for me both in and outside the house. I have always found him a diligent worker who gets on and completes the job to a high standard. He is most trustworthy and with his quiet disposition gives one confidence in his ability to please and leave everything in a tidy state.**

**I confidently recommend him to you and will miss him now he has left the neighbourhood.**

**Yours sincerely**
